SCORE 2026

By the Residents, **For the Residents**

SCORE has an unbeatable track record of 12 years in ensuring success at the final CTVS examination and has helped hundreds of trainees surge through their exams with flying colors over the years!

SCORE is a 2-day boot camp that brings together inquisitive young minds under one roof alongside renowned teachers in cardiothoracic surgery with a passion for teaching and training with the primary goal of providing pearls of success and preparing residents for the exam day with excellence.

SCORE is an opportunity you just cannot miss, it is an opportunity to strengthen concepts and distinguish yourself!
