

Admission Procedure

Admissions are subject to the following conditions:

Sri Madhusudan Sai Institute of Medical Sciences and Research is a Constituent College of Sri Sathya Sai University for Human Excellence ("SSSUHE"), Kalaburagi, Karnataka and is accredited by the National Medical Commission (NMC). The NMC has been constituted by an act of Parliament known as National Medical Commission Act, 2019 which came into force on 25.9. 2020.

This Institute offers MBBS, Postgraduate Medical, Nursing and Allied Health Sciences courses, Free of cost to the deserving and poor students especially from rural area. The Institute focuses on integrated learning for students to understand the role of each subject in accurate diagnosis and holistic treatment.

- i. The student will **abide by the rules and regulations of the University including hostel regulations**, published by the University administration from time to time.
- ii. All students who have taken admission on a scholarship from **Prashanthi Balamandira Trust** have to **compulsorily serve in any of the free hospitals established by or registered with the University or allied trusts, institutions or foundations of the sponsoring body in rural areas or medically underserved areas as may be posted or transferred by the university at its complete discretion in total for such period equal to such number of years the course student has studied in the University**. For the Post Graduates medical course, it will be **Three years of compulsory service**. During their service, the University will pay the salary as per its norms and regulations.
- iii. The student who has obtained scholarship will **compulsorily reside** in the **University hostel**.
- iv. Penalty for Premature Termination: If students leave the course before completion of course or during service bond period, either voluntarily or due to disciplinary action for non-compliance with rules and regulations, the student shall pay a fine equivalent to four times the tuition fees applicable to NRI/Management quota students of the particular subject,

Basic criteria for application for MBBS

1. Candidate must have completed the MBBS Course with residency.
2. Must have registered Karnataka Medical Council / Indian Medical Council.
3. Candidate must have appeared in the National Eligibility-cum-Entrance Test PG – 2025 (NEET PG – 2025) and qualified for admission to the Post Medical graduate course as per the criteria laid down by the Government of India.
4. If any of the certificates or information provided at the time of admission is subsequently found to be false, the allotted seat is liable to be cancelled.

Common Counselling by Karnataka Examination Authority (KEA)

Counselling for selection of Post Graduate Medical students to SMSIMSR for the academic year 2025-2026 will, as directed by NMC, be conducted by the Karnataka Examination Authority (KEA). NEET-PG 2025 qualified candidates who wish to apply for Post Graduate Medical admission to SMSIMSR should, therefore, register with the Karnataka Examination Authority as per the KEA Schedule. For detailed information on KEA notifications and information, please visit KEA website (<http://kea.kar.nic.in>) regularly.

Allocation of seats

All the seats, including NRI/Management quota, are allotted by merit through online counselling conducted by [Karnataka Examination Authority](#). Selection is based on the rank obtained in the National Eligibility-cum-Entrance Test (NEET) conducted on an all-India basis.
